

ELETTROPOMPE AUTOADESCANTI A MEMBRANA

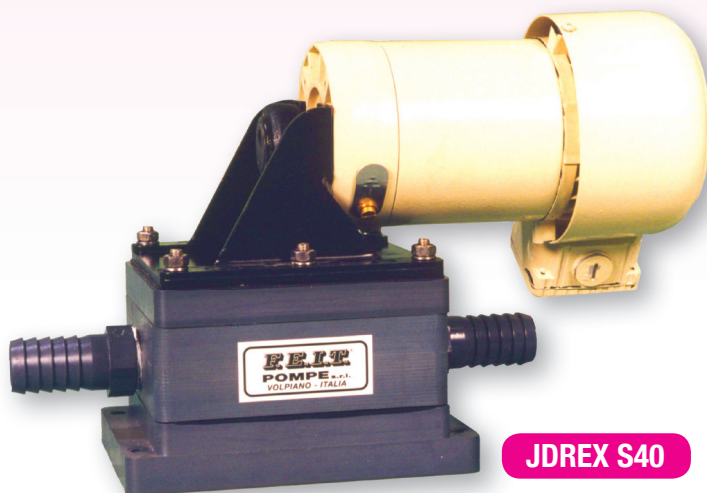

JDREX - SERIE MARINA/STANDARD

ELECTRIC-SELF PRIMING DIAPHRAGM PUMPS

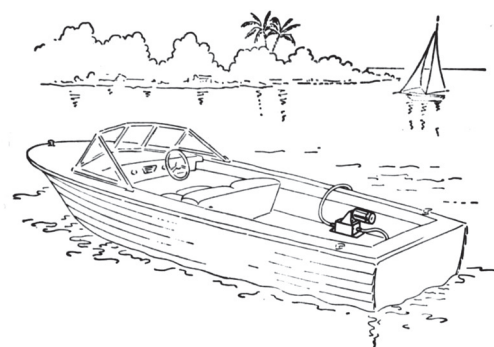

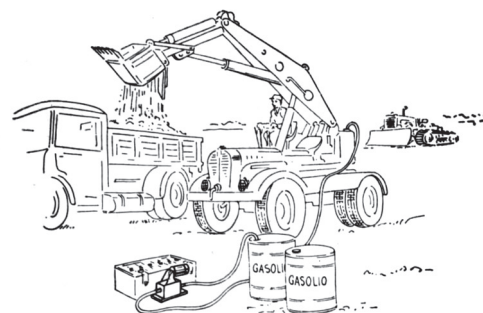

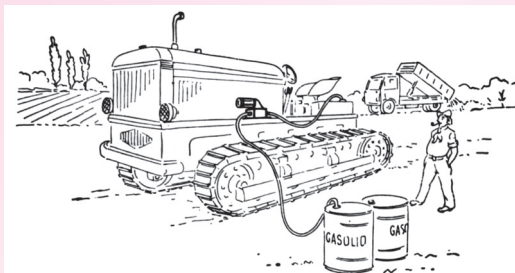

ELECTROPOMPES AUTO-AMORCANTES A MEMBRANE

JDREX S15

JDREX S40

LE POMPE "JDREX" SONO
PARTICOLARMENTE INDICATE PER:

- PROSCIUGAMENTO DI SENTINE E POZZETTI
- RIFORNIMENTO DIESEL
- DISTRIBUZIONE DI ACQUA SU IMBARCAZIONI E CAMPER
- TRAVASI DI ACQUE DOLCI E SALATE
- PRELIEVI ECOLOGICI.

THIS PUMP IS PARTICULARLY
INDICATED FOR:

- EXTRACTING SEA WATER, BILGE.
- TRANSFERRING DIESEL
- WATER SUPPLY FOR TRAILERS, BOATS, CAMPER
- TRANSFERRING SOFT WATER AND SEA WATER
- SAMPLING ECOLOGY

LES POMPES "JDREX" SONT
PARTICULIEREMENT INDIQUEES POUR:

- L'ASSÈCHEMENT DE FOSSES ET DE PUISARDS
- L'ASPIRATION DE CARBURANTS POUR PLEINS
- LA DISTRIBUTION D'EAU SUR BATEAUX ET MOTOR-HOME
- LES TRANSFERTS D'EAU DOUCE ET SALE
- LES PRÉLÈVEMENTS ÉCOLOGIQUES

- Autoinnesco immediato senza preventivo riempimento del corpo pompa.
- Massima sicurezza di funzionamento anche dopo vari mesi d'inattività.
- Non necessita valvola di fondo, né succheruola, nè filtro.
- Manutenzione nulla.
- Tutti i componenti sono resistenti alla corrosione.
- Possono funzionare a secco in quanto non hanno rasamenti, guarnizioni, giranti, premistoppa, o anelli di tenuta che si danneggiano.

- Immediate self priming without pre filling the body of the pump.
- Maximum reliability of operation, even after being inactive for lengthy periods.
- No foot valves, no filter.
- No maintenance required.
- Quick instillation.
- All components of the pump are resistant to sea water corrosion
- Can run dry without any damage because they have no impeller seals or other delicate or fragile parts.

- Autoamorçage immédiat sans remplissage préalable du corps de la pompe
- Sécurité maximale de fonctionnement même après plusieurs mois d'inactivité
- Pas besoin de soupape de fond, No crépine, no filtre
- Tous les composants résistent à la corrosion
- Peuvent fonctionner à sec étant donné qu'elles n'ont pas de segments racleurs, joints, roues, presse garniture, ou bagues d'étanchéité qui s'abîment
